

CMPSC 487W, Project 1
Japheth Beiler, 13 September 2023

Here is a quick walkthrough of the functionalities of my project:

My three SQL Server Database tables are Users (all user data), AdminLog (login data for admin users), and Access (logs swipes in/out).

```
select * from Users;
```

This is the initial screen. The PSU ID combo box for Admin Login only displays admins IDs. The PSU ID combo box for SUN Lab Access displays all user IDs. Users can use the Swipe In and Swipe Out buttons to swipe in and out.

The screenshot shows a window titled "SUN Lab Access" with standard window controls (minimize, maximize, close) in the top right corner. The window is divided into two main sections: "Admin Login" on the left and "SUN Lab Access" on the right.

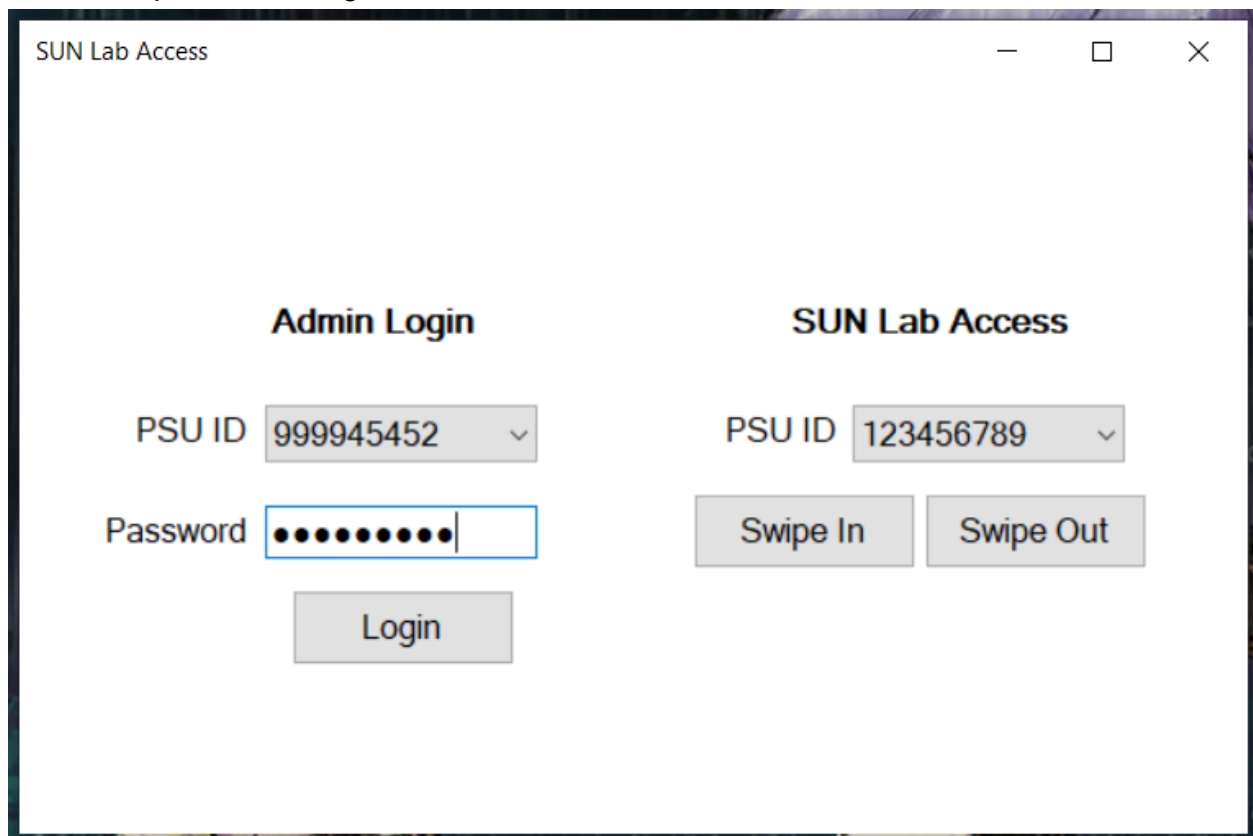

Admin Login Section:

- PSU ID: A dropdown menu showing "292929292" with a downward arrow.
- Password: An empty text input field.
- Login: A button located below the password field.

SUN Lab Access Section:

- PSU ID: A dropdown menu showing "123456789" with a downward arrow.
- Swipe In: A button located below the PSU ID dropdown.
- Swipe Out: A button located to the right of the "Swipe In" button.

Here is the password being entered.

The image shows a screenshot of a software application window titled "SUN Lab Access". The window has a standard Windows-style title bar with minimize, maximize, and close buttons. The main content area is divided into two sections: "Admin Login" on the left and "SUN Lab Access" on the right. In the "Admin Login" section, there is a "PSU ID" field with a dropdown menu showing "999945452", a "Password" field with a blue border and ten black dots, and a "Login" button below it. In the "SUN Lab Access" section, there is a "PSU ID" field with a dropdown menu showing "123456789", and two buttons labeled "Swipe In" and "Swipe Out" below it.

SUN Lab Access

PSU ID 123456789 ▼

Swipe In Swipe Out

The admin user is alerted if the password is incorrect.

The image shows a software interface titled "SUN Lab Access". It features two main sections: "Admin Login" and "SUN Lab Access".

Admin Login Section:

- PSU ID: 999945452 (dropdown menu)
- Password: [Empty text field]
- Login: [Button]

SUN Lab Access Section:

- PSU ID: 123456789 (dropdown menu)
- Swipe In: [Button]
- Swipe Out: [Button]

Modal Dialog:

A modal dialog box is open, displaying the message "Incorrect Password" and an "OK" button.

If the password is correct, the admin form opens. The admin user's name is shown in the upper left corner. The SUN Lab Access History and the SUN Lab Access Privileges data grid views are auto populated on the form load.

The Return to Login button returns the user to the initial form.

Now that Abe Lincoln's (ID 292929292) status has changed, he can no longer swipe into the SUN Lab.

The image shows a software interface titled "SUN Lab Access" with standard window controls (minimize, maximize, close) in the top right corner. The interface is divided into two main sections: "Admin Login" on the left and "SUN Lab Access" on the right. In the "Admin Login" section, there is a "PSU ID" dropdown menu showing "292929292" and a "Password" text input field. In the "SUN Lab Access" section, there is a "PSU ID" dropdown menu also showing "292929292", and two buttons: "Swipe In" (highlighted with a blue border) and "Swipe Out". A modal error dialog box is displayed in the center, containing the text "User 292929292 is not authorized to to access the SUN Lab." and an "OK" button.
